# 2021 HIGHLIGHTS

### **Giving Back to the Community**

The New Castle Correctional Facility was able to conduct a PLUS food sale, using Papa John's Pizza. The turnout for this event exceeded all expectations by selling around 7,800 items. These enormous numbers enabled New Castle Correctional Facility to donate to two charitable organizations in the area. Wheeler Mission is an organization that was selected to receive a \$5,000 donation from New Castle Correctional Facility's PLUS Program to help fight hunger and homelessness, and to support their "Building for Change" campaign to expand the shelter.

### **Orange and West Orange County Teams Volunteer in the Community**

For the last four years, staff at the Orange County and West Orange County Day Reporting Centers (DRCs) have volunteered with the Orange County Operation Santa Claus Program. Staff helped sort, organize and select toys for families participating in the program. This has become a fun, annual tradition for the teams. It is also a rewarding experience to be able to serve the community during the holiday season through such a meaningful opportunity.

### **GEO Conducts Annual Toy Drive for Boys Town**

Every year, The GEO Group engages with Boys Town of South Florida to coordinate an annual toy drive. Boys Town of South Florida provides an array of life-changing youth care and health care services that meet each child and family exactly where they are, so they get the right kind of care, at the right time, in the right way. Thank you to all those who participated and helped in ensuring the children in our community had a normal, toy-filled Christmas!
